REGULAR MEETING

DELAWARE COUNTY BOARD OF SUPERVISORS

MARCH 27, 2024

The regular meeting of the Delaware County Board of Supervisors was held Wednesday, March 27, 2024 at 1:00 p.m. in the Supervisors' Room of the Senator Charles D. Cook County Office Building, 111 Main Street, Delhi, New York, Chairman Tina B. Molé presiding.

The Clerk called the roll and all Supervisors were present except Mr. Gladstone, Ms. Walley, Mr. Haynes, and Mrs. Scott.

Mr. Marshfield offered the invocation.

Mr. Hinkley led the Board in the Pledge of Allegiance to the Flag.

The minutes of the previous Board meeting were accepted as presented.

The Clerk noted that all communications received have been referred to their respective committees for review.

Mr. Faulkner offered the following resolution and moved its adoption:

RESOLUTION NO. 48

TITLE: 2024 BUDGET AMENDMENT POLICE TRAFFIC SERVICES PROGRAM GRANT SHERIFF'S OFFICE

WHEREAS, the Sheriff's Office has been successful in securing grant funds with which to participate in the statewide Police Traffic Services Program; and

WHEREAS, the Sheriff's Office agrees to participate in "Statewide Police Traffic Services Program", the goal of which is to increase seat belt usage and reduce dangerous driving behaviors in an effort to reduce serious injury and death from traffic crashes; and

WHEREAS, involvement will include using dedicated overtime enforcement hours to participate in joint checkpoints with the State Police or other agencies where practical, or independently, in the waves of high-visibility enforcement planned throughout the year; and

WHEREAS, participation in this program will result in the award of a grant in the amount of \$12,218.00 to be used to pay the salaries of the road patrol deputies participating in this program. Said program runs from October 1, 2023 through September 30, 2024.

NOW, THEREFORE, BE IT RESOLVED that the 2024 Budget be amended as follows:

Mr. Cetta offered the following resolution and moved its adoption:

RESOLUTION NO. 57

TITLE: RESOLUTION CALLING FOR THE SFY 2024-25 EXECUTIVE BUDGET INCLUDE REFORMS FOR DETERMINING THE CAPACITY OF A DEFENDANT TO STAND TRIAL

WHEREAS, Section §730 of the CPL provides that defendants (often called 730s) charged with felonies, who are mentally ill and/or developmentally disabled and who are determined by a court to be unable to understand the charges against them or participate in their own defense, are sent to NYS operated forensic hospitals solely for the purpose of trying to restore them to competency so they can stand trial; and

WHEREAS, the origin of CPL §730 dates back over five decades to the laws of 1970 and parts of it have been declared to be unconstitutional; and

WHEREAS, competency restoration provides necessary medications, but primarily provides services such as courtroom training to familiarize the defendant with courtroom procedures so they can participate in their trial; and

WHEREAS, many judges incorrectly believe that by ordering a 730 commitment, they are helping the mentally ill or developmentally disabled person to get treatment; and

WHEREAS, in the cases for which restoration is appropriate, the majority of defendants can generally be restored within 90-150 days; and

WHEREAS, unfortunately, there are also numerous situations where defendants have been kept in restoration for periods of 3, 6, or even 10 years; and

WHEREAS, these lengthy confinements have been declared to be unconstitutional by the U.S. Supreme Court as shown in the case of Jackson v. Indiana which provides states may not indefinitely confine criminal defendants solely on the basis of incompetence to stand trial; and

WHEREAS, the Office of Mental Health (OMH) has diverted from agreements with the county mental health commissioners to provide specific information on the clients/defendants ordered to restoration; and

WHEREAS, the NYS SFY 2020-21 budget required counties to pay 100 percent of the OMH State Operations costs for individuals receiving court-ordered mental health competency restoration services at State-operated Forensic Psychiatric Centers; and

WHEREAS, as the full payors of these services, the commissioners must have timely access to any pertinent client information as deemed necessary to effectively manage their responsibilities under the mental hygiene law; and

WHEREAS, the county cost of these services is over \$1,300.00 per day and current statute does not require a timeline be established for when defendant is unable to be restored; and

WHEREAS, the county cost of restoration for one defendant can be upwards of \$400,000 per year; and

WHEREAS, in NYS the counties through county tax levy, already bear an overwhelming portion of the financial burden for supporting individuals suffering from serious mental illness and the requirement to assume 100% in §730.20 competency restoration costs has taken away millions of dollars for critical behavioral health programming in the community; and

WHEREAS, given the advances in the behavioral health and the modernization of the criminal justice systems, it is time for the State to reform the statutory authority governing competency restoration to ensure that only individuals who are appropriate subjects of 730 court orders are sent for restoration in accordance with the current state of these two systems; and

WHEREAS, the Legislature has introduced S.1874/A.5063 which seeks to address the reforms necessary to update the archaic requirements of current statute, many which have been deemed unconstitutional, and includes a critical requirement to reinvest any savings derived by the counties be directed back to the local mental hygiene systems of care.

NOW, THEREFORE, BE IT RESOLVED, CPL §730.10 shall be modified to make clear that restoration is not mental health treatment so that the judiciary is better informed that a 730 order does not treat underlying mental health conditions; and

BE IT FURTHER RESOLVED, CPL §730.20 shall be reformed to establish specific criteria for 730 examiners, streamlining the process to establish equity across the system, and that the psychiatrist or psychologist conducting the psychiatric exam tells the court whether or not there is a reasonable chance of restoration, thereby granting the court an opportunity to allow diversion to mental health treatment; and

BE IT FURTHER RESOLVED, CPL §730.20 shall adjust the fee for reimbursing psychiatric examiners; and

BE IT FURTHER RESOLVED, CPL §730.50 shall limit the time defendants are ordered for restoration services; and

BE IT FURTHER RESOLVED, MHL §9.33 shall allow individuals to be transferred to Article 9 facilities if it is determined that a defendant is unable to be restored; and

BE IT FURTHER RESOLVED, MHL §43.03 shall require Local Government Units (counties) to reinvest savings from these reforms into community mental health services; and

BE IT FURTHER RESOLVED, Delaware County calls on the State to support all provisions outlined in this Legislation; and

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall forward certified copies of this resolution to Governor Kathy Hochul, Senator Peter Oberacker, Assemblyman Christopher Tague, Assemblyman Joe Angelino, Assemblyman Brian Maher encouraging them to include these reforms as part of the NYS SFY 2024-25 Enacted State Budget; and

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall also forward a certified copy of this resolution to the New York State Association of Counties (NYSAC).

The resolution was seconded by Mr. Merrill.

Mr. Cetta explained that when a defendant is charged with a felony but is mentally ill or developmentally disabled, they are sent to a New York State operated forensic hospital and often referred to as '730s'. Anyone who is deemed mentally incapable of making decisions at the court level is sent to a forensic hospital, but it is a common misconception that they receive

mental health treatment in these facilities. In these facilities, defendants are educated as to how the court works, such as what a judge does or what their defense attorney does. They receive no treatment for their mental health in these facilities. He further noted that New York State is the only state in the country which imposes 100% of the cost of these facilities on the counties. In all other states, the cost is shared. He asserted that the cost per individual in these facilities is over \$1,300.00 per day. Unfortunately, there is also no time limit for the restoration of the defendants to competency, which they are seeking to reform as well. There is a huge amount of misunderstanding associated with the current law which needs to be clarified and rectified.

In response to Mr. Marshfield, Mr. Cetta stated he doesn't believe there is currently any discussion of having the State take on any percentage of the cost associated with the facilities, but rather to take on discussions of changing the law on the State level.

The resolution was unanimously adopted.

Mr. Merrill offered the following resolution and moved its adoption:

RESOLUTION NO. 58

TITLE: DELAWARE COUNTY PUBLIC HEALTH SERVICES CELEBRATES NATIONAL PUBLIC HEALTH WEEK APRIL 1 – APRIL 7, 2024

WHEREAS, the week of April 1-7, 2024, is National Public Health Week; with a theme of Protecting, Connecting and Thriving: We Are All Public Health; and

WHEREAS, since 1995, the American Public Health Association, through its sponsorship of National Public Health Week, has educated the public, policymakers and public health professionals about issues important to improving the public's health; and

WHEREAS, the 2024 National Public Health week focus areas include civic engagement, healthy neighborhoods, climate change, new tools and innovation, reproductive health, emergency preparedness and the future of public health; and

WHEREAS, by taking actions to become more civically engaged, we exercise our right to make decisions about our communities, including walkable neighborhoods, funding for public health projects and how prepared the nation's infrastructure is for future pandemics and disasters; and

WHEREAS, where we eat, sleep, work, play and learn can have a huge effect on our health. Having safe places to live, safe ways for everyone to be active, like sidewalks and safe recreation and having access to affordable nutritious food. People with greater feelings of support and inclusion within their neighborhood may live longer and respond to stress better than those who are isolated. When our communities are healthy, we have the building blocks for healthy lives; and

WHEREAS, climate change is a pressing threat to human health. Buying less and reusing items has a big effect on climate emissions, natural resources and pollution. Planning for flooding, extreme heat and other disasters can make a difference. Supporting funding and community partnerships to increase access to affordable and energy-efficient housing for professionals, low-income families and the seniors; and

WHEREAS, public health is all about preventing disease, diagnosing health conditions and encouraging health and well-being. Achieving these goals wouldn't be possible without the help of new tools and innovations in public health. New technology has changed the way individuals and communities that receive and respond to health information. Telehealth has become increasingly utilized in rural areas to address the limited access to healthcare providers and transportation barriers. Internet access connects people to mental, behavioral and physical health services. Electronic health information exchanges speed up how providers and patients can access medical information, while electronic health records enable providers to efficiently deliver care to their patients; and

WHEREAS, when people have access to quality reproductive and sexual health care and education, they can live healthier lives. Screening and treatment for sexually transmitted infections (STIs) is important. Breast, colorectal and prostate cancers are three of the most common forms of cancer in the United States. Screening based on current guidelines to detect breast, colorectal and prostate cancers early is critical. Supporting and funding clinics that provide comprehensive reproductive and sexual health care, including family planning services as well as protecting access to life-saving medical procedures plays an essential role in protecting reproductive health; and

WHEREAS, being ready for emergencies is important. Being ready for crises before they occur can protect families and their loved ones. Providing emergency preparedness education to the community, stocking up on supplies, creating and updating emergency plans and practicing emergency drills are all critical preparedness activities; and

WHEREAS, rural communities face a range of health disparities, from higher burdens of chronic disease to limited access to primary care and prevention services. Rural residents face social determinants such as poverty, transportation barriers and lack of higher paying jobs, which negatively impacts health. We must continue to remove barriers and utilize new technology and approaches to improving health. Everyone has the right to good health; and

WHEREAS, public health's future is all about joining forces with unexpected partners from different sectors and centering community voices. This future is about tearing down barriers, not just fixing problems but preventing them altogether. It involves making sure every person has access to the support and care they need for a healthier life; and

WHEREAS, we can't do it all on our own. We must expand our partnerships to collaborate with planners, education officials, public, private, community agencies and the local community at large. Strong public health systems are pivotal for sustaining and improving community health; and

WHEREAS, during National Public Health Week the public health community comes together to celebrate accomplishments and bring a renewed focus to the work ahead.

NOW, THEREFORE, BE IT RESOLVED that Delaware County recognizes April 1-7, 2024 as Public Health Week.

The resolution was seconded by Mr. Marshfield and unanimously adopted.

Chairman Molé waived Board Rule 10 to permit the introduction without objection of the following not-prefiled resolutions.

Mr. Hinkley offered the following resolution and moved its adoption:

TITLE: INCREASING THE PETTY CASH FUND DEPARTMENT OF SOCIAL SERVICES

WHEREAS, a petty cash fund for the Department of Social Services is necessary to carry out the daily activities of the department; and

WHEREAS, Resolution No. 240 of 1985 increased the petty cash fund to \$250 in accordance with Section 371 of County Law; and

WHEREAS, inflation necessitates an additional increase in the petty cash fund amount.

NOW, THEREFORE, BE IT RESOLVED that the Department of Social Services petty cash fund be increased to \$500 in accordance with Section 371 of County Law.

The resolution was seconded by Mr. Kosier.

Mr. Marshfield stated that it has been about forty years since the petty cash fund for the Department of Social Services has been increased.

The resolution was adopted by the following vote: Ayes 176, Noes 0, Absent 24 (Gladstone, Walley, Haynes, Scott).

Mr. Merrill offered the following resolution and moved its adoption:
