

A message from the Chairman of the Delaware County Board of Supervisors, Tina Molé regarding the Sheriff's statement of November 22, 2020

As Chairman of the Law Enforcement Review Committee for Delaware County, I want to express my support for Sheriff Craig DuMond's statement, via Facebook, on November 22, 2020.

Because our county's most frequent source of law enforcement interactions is substance use disorder and a more general mental health crisis, I thought it was imperative to have a good portion of the committee populated with county mental health professionals. Those professionals include:
Mary Rosenthal – Executive Director, Alcohol and Drug Abuse Council of Delaware County
Cindy Heaney – Director, Community Services of Delaware County
Debra Mierop – Clinic Director, Delaware County Alcohol and Drug Abuse Services
Joyce St. George – Catskills Addiction Coalition

Sheriff DuMond's statement describes the process of this review going forward, and I am fully supportive of that process.

I want to thank all those who have agreed to serve as committee members and look forward to announcing new committee members in the near future.
