- Minutes from the last meeting were accepted on a motion by Art Merrill and seconded by Bill Layton.
- Telemedicine Campaign continues. There is no copay for these services, and it allows employees to schedule appointments afterhours and on weekends or as needed. The appointments can be scheduled within minutes to a few days depending on the service. Services included are routine conditions and behavioral health services. The campaign runs until mid-April, so we have just a few more weeks of prizes to give away.
- Participated in Application Day event at DCMO BOCES in Sidney last week along with representatives from DPW, Emergency Services, and the Sheriff's Office. This event was offered for area high school students seeking employment following graduation and summer work. The event was successful and resulted in several applications.
- Discussed scheduling of next month's meeting, as the first Wednesday conflicts with an awards ceremony at the Public Safety Building. Meeting was moved to the 14th. (Note: Meeting was later moved to the 28th due to another conflict.)
- Don Smith moved to enter Executive Session to discuss legal matters, contract negotiations, and matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation. Bill Layton seconded.
- Executive Session was conducted featuring a discussion regarding employment concerns and contract negotiations. No formal action was taken. The meeting was adjourned.
