- ★ Keep conversations professional
- ★ BE HONEST.
- ★ Be respectful to others at the job.

DON'T:

- ✗ Do not have friends or relatives visit or call your worksite.
- ✗ Do not be late or absent unless absolutely necessary.
- ✗ Do not lounge, procrastinate, goof off or fool around on the job.
- ✗ Do not take longer breaks than what is scheduled.
- ✗ Do not start drama at the job.
- ✗ Do not use your cell phone, I-Pod or any electronic device on the job.
- ✗ **Do not quit your job without calling your counselor and worksite supervisor.**

COUNSELING:

You will be assigned a counselor who will assist with any questions or concerns you may have. They will also monitor your job performance and will be working directly with you and your worksite supervisor. It is your responsibility to be open and honest with your counselor.

SUPERVISION:

Your worksite supervisor will be the person responsible for providing work experience and training for you while you are employed in the Youth Program. Follow his/her instructions carefully. Ask questions about anything you don't understand. There may be a time when your supervisor will be absent from work. Another person (chosen by your supervisor) will act as your supervisor until your regular one returns.

DRESS CODE:

It is expected that you will dress neatly and appropriately for your job. If you have questions about the dress code at your worksite, ask your supervisor. Each work site will have a different dress code so please talk to your supervisor.

WORK WEEK:

The number of hours you work will be determined by your worksite schedule. Your schedule will be given to you by your Supervisor. Remember the importance of good attendance and arriving to work on time. Be ready to work when the shift is scheduled to begin. A pattern of absenteeism or lateness may result in your termination from the Youth Program.

LUNCH BREAK:

New York State Labor Standards limit employees to a maximum of six (6) consecutive hours of work without a lunch or dinner break of at least half an hour. For example; if you are scheduled to work from 8 AM to 2:30PM (6 ½ hours) you must take a lunch break. This break time is to be arranged between you and your worksite supervisor. 10 to 15 minute breaks do not need to be recorded on the time sheet. **Note:** SYEP DOES NOT PAY FOR LUNCH BREAKS.

PAYROLL INFORMATION:

Payroll is every two weeks (bi-weekly). Your wage will match the minimum wage in New York State (\$14.20 an hour). Both you and your worksite supervisor will be given a payroll schedule to keep you informed about the necessary payroll information. Actual time worked and/or time absent must be recorded on the SYEP time sheet, along with both your signature and your supervisor's as well as the date the pay period ends. Time sheets are due on the last day of the pay period and must be completely and properly filled out so you can be paid on time. You are paid only for actual time worked. Late time sheets will result in a two-week delay in processing your paycheck. Checks are mailed the following Thursday after the pay period ends.

- ★ **PLEASE DO NOT CALL THE SYEP OFFICE ABOUT YOUR CHECK UNLESS IT HAS BEEN ONE WEEK AFTER CHECKS ARE MAILED AND YOUR CHECK HAS NOT ARRIVED.**

[Please refer to the Payroll Schedule sheet for dates when checks are mailed.]

- ★ **CHECK MUST BE CASHED OR DEPOSITED INTO AN ACCOUNT WITHIN 90 DAYS OR IT WILL BECOME VOID!**
- ★ You will need access to a bank account (yours or a parent or Guardian's) or a check cashing service. You will most likely need a photo ID to cash your check.

NOTE: It is **YOUR** responsibility, as well as the worksite supervisor, to maintain and submit your time sheet at the end of the payroll period. Make sure *YOU* sign it. Keep track of your hours daily.

LATENESS/ABSENCES:

You are to work in accordance with the work schedule established by you and the worksite supervisor. If, for some reason, you are going to be late or absent from work, it is **YOUR** responsibility (not your mother, father, sister, brother, etc.) to call the worksite supervisor immediately and explain the situation. Failure to call may result in termination from the Youth Program.

COMPETENCIES AND EVALUATIONS:

The Summer Youth Employment Program is designed to help you acquire occupational skills through work experience and to gain work maturity competencies. These competencies refer to work-related behaviors which must be demonstrated in order to be considered a successful completion of the Youth Program.

Your supervisor will complete and submit an evaluation of your job performance with the submission of each payroll. Your supervisor will sit down with you and go over the evaluation. The purpose of the evaluation is to aid you in learning what you do well and what you may need to improve on. You should use this evaluation as a reference tool when seeking future employment. It becomes a permanent record in your file folder.

WORKER'S COMPENSATION:

All SYEP employees are covered under Worker's Compensation if injured on the job. Notify your worksite supervisor and SYEP counselor **IMMEDIATELY** if you get hurt and receive medical treatment.

- ✓ **COMPENSATION FORMS MUST BE FILLED OUT WITHIN 10 DAYS OF THE ACCIDENT/INJURY.**
